NAVARRE

VANDERBILT

BAHIA

MADEIRA

SANIBEL

TIGERTAIL

QUARTER ROUND

Helps cover imperfections and gaps between the base trim and the floor.

STAIRNOSE

Acts as stair edge, fitting over the front of a stair tread & protecting the edge of the tread from wear.

T-MOLDING

Commonly used in doorways to join flooring in adjoining rooms.

REDUCER

Used when two floors of different thicknesses meet.
